**National Conference on Innovative
Techniques in Electrical Engineering
(ITEE'13) & PROJECT EXPO
February 21st & 22nd**

Organised by
**Society of Electrical & Electronics Engineering
Department of Electrical & Electronics Engineering**

About the college

- The College, located in the holy town of Tiruvannamalai, 185 kms from Chennai, 210 kms from Bengaluru and 110 kms from Puducherry.
- Approved by AICTE and affiliated to Anna University, Chennai. Ten UG Programmes and eight PG Programmes are being offered.

- Three Departments are approved Research Centres of Anna University, Chennai to offer M.S. (By Research)/ Ph.D. Programmes.
- All Engineering Departments are accredited by NBA, AICTE, New Delhi.
- The College is accredited by NAAC (National Assessment and Accreditation Council), New Delhi.
- Received ISO 9001:2008 Certification through DNV, Netherlands.
- Continuous academic excellence by securing University Ranks.
- Air Conditioned Auditorium, Conference Rooms, Interview Halls, Language Lab facilities.
- Undertaken many sponsored projects from Govt./Non-Govt. agencies

About the Department

- Started in the Year 1993. Offers B.E., degree programme in Electrical & Electronics Engineering and M.E., degree programme in Power Electronics & Drives and Embedded System Technologies.
- B.E., & M.E., degree programmes are accredited by NBA, New Delhi.
- An approved Research Centre of Anna University & Annamalai University for MS (by research)/ Ph.D.,
- Students bagged many University Ranks.
- Consultancy services to needy Industries.

About the Conference:

This conference will provide a platform for technical engineers and scientists to discuss the advancement of innovative techniques in electrical engineering. The object of the conference is to create an inspiration among the innovative engineers. This event is not only to exchange the information but also to engage the valuable thoughts of students, scholars and other professionals, who are concerned with the application of new ideas in electrical engineering.

Topics for Conference

Power System Operation and Control:

De-regulation and restructuring, Congestion Management, Distributed Generation, Micro grid, Smart Grid Infrastructure, Wide Area Monitoring, Protection and Control, Superconductivity Application in Power, Condition Monitoring of Power Apparatus & Systems.

Power Electronics & Drives:

Application of Power Electronics in Power System, Electric and Hybrid Vehicles, Motor Control and drives, Energy Saving Technology, DC/DC, AC/AC, AC/DC, DC/AC Converters, Resonant Converters, Power Converter Control.

Power Conditioning & Renewable Energy:

HVDC, FACTS and Custom Power Devices, Power Quality, Active and Hybrid Filtering, Power Line Conditioner, Advances in Renewable Energy Technology.

Procedure for Paper Submission

Full Paper : IEEE format

Paper Format: A4, not exceeding 6 pages.

Two Hard Copies & One Soft Copy (CD) should be sent.

The Paper should contain the email address and postal address of the authors.
