Greetings from the chairperson

A rapidly changing world is one of the biggest challenges facing today's graduates. New technologies, new working practices and changes in tastes and fashions require graduates who are equipped with flexible attitudes. AEC provides students to meet with such skills to succeed.

AEC, a Co-Educational institution was established in the year 1993. The college is spread out on serene sylvan settings on the Chittoor - Cuddalore national highway, providing a holistic environment, ideal for dedicated study with discipline, away from the hustle and bustle of the modern cities. The serene spiritual atmosphere at AEC helps an individual to discover him and the contribution he can make to the world.

We, at Arunai Engineering College, will enlighten the hidden technical skills and abilities of youth with highest quality technical education and proper discipline.

Welcome to Arunai Engineering College.

Introduction

Arunai Engineering College (AEC) was established in the year 1993 by Saraswathi Ammal Educational Trust, to render philanthropic and educational services to the people living in rural areas of Tamil Nadu. The main objective of the trust is to foster quality technical education, research and training in various branches of science and technology and simultaneously inculcate among the youth a sense of discipline so that they can be moulded into competent and talented engineers.

A rapidly changing world is one of the biggest challenges facing today's graduates. New technologies, new working practices and changes in tastes and fashions require graduates who are equipped with flexible attitudes. AEC provides students with the skills to succeed. AEC, a Co-Educational institution is spread out on serene sylvan settings on the Chittor - Cuddalore National Highway, providing a holistic environment, ideal for dedicated study with discipline, away from the hustle and bustle of the modern cities. The serene spiritual atmosphere at AEC helps an individual to discover himself and the contribution he can make to the world. We, at Arunai Engineering College, will bring out and enlighten the hidden technical skills and abilities of youth with highest quality technical education and proper discipline.

Today, the institution has grown immensely and magnificently with an area of 24.66 acres. The college offers eight Under Graduate Engineering programs and seven Post Graduate programs. Arunai Engineering College has been awarded ISO 9001:2015 certification from DNV Netherlands in recognition of its International Quality Standards in technical education. Further to enhance the level of interaction with the industry, Arunai Engineering College has become a member of confederation of Indian Industry.

COUNSELLING

1. A small group of students is assigned to each faculty, who offers them regular counseling on academic and personal matters.

2. Two unit tests and one model examination in each subject will be conducted regularly. No student is exempted from writing test/ examinations. Absence without valid reasons will not be entertained.

3. The parent/guardian is kept informed periodically of their ward's academic and attendance progress.

PROJECT AND TRAINING

Most of the final year students carry out project works in various reputed organizations like SPIC, NLC, BHEL, SHAR Centre, WIPRO, GEC, EID (Parry), Atomic Power station IGCAR etc.

INDUSTRIAL VISITS AND IMPLANT TRAINING

Regular Industrial visits and In-plant training programmes are arranged to expose the students to the practical environments and real life problems, by all the departments.

DEPARTMENT OF TRAINING AND PLACEMENT

This is headed by a senior faculty member. The department has got three wings viz. Training and Placement cell, Bureau of Higher Education and Centre for Industry-Institute Collaboration (CIIC).

The Training and Placement cell provides career guidance and counseling, conducts soft skills Development Programs, provides information on employment opportunities and arranges for placement of students through the campus recruitment.

The Bureau of Higher Education (BHE) is an information bank on higher education both in India and abroad. It organizes introductory seminars on TOEFL, GRE, GMAT and GATE for the benefit of students. BHE identifies staff from Departments as Mentors for those students preparing for GATE with effective counselling and guidance in GATE preparations. It organizes coaching for TOEFL and GRE with eminent resource persons.

Centre for Industry-Institute Collaboration assists in identifying companies/organizations for Final year Students projects. It helps to contact various

organizations (both Public and Private sectors) and arranges in-plant training during summer/winter vacations. CIIC promotes Industry-Institute interaction by working closely with CII, FICCI and AIMO

FINE ARTS CLUB

The college has a Fine Arts club. Students evince keen interest in Music, Dance and Acting. Electronic Keyboard, Electric Guitars, Tablas, Drum pad, Treble and P.A. System are provided. Competitions are held and prizes are awarded. Students are sponsored for inter-collegiate competitions.

FACULTY

Special mention must be made of sufficiently qualified, motivated and experienced teaching faculty. Professor – Emeritus, Professors, Associate Professors and Assistant Professors possessing the prescribed qualifications in their respective field of study, bring to their tasks, an innovative and a resourceful mind.
